

Saturday 08th December

We apologise for the current changes to timetabled services and the decreased capacity of our trains. We are doing everything possible to improve this regrettable situation.

Due to continuing problems resulting from damage to wheels caused by seasonal conditions, more trains than usual are currently undergoing repair at Transport for Wales depots. As a result, an amended timetable will be in operation until further notice.

Routes affected

Aberystwyth - Machynlleth - Shrewsbury

The following services are affected:

05:47 Machynlleth – Aberystwyth will be cancelled

06:25 Shrewsbury - Aberystwyth will be cancelled

06:30 Aberystwyth - Shrewsbury will be cancelled

08:30 Aberystwyth – Shrewsbury will be cancelled

10:29 Shrewsbury - Aberystwyth will be cancelled

12:30 Aberystwyth - Shrewsbury will be cancelled

18:25 Shrewsbury – Aberystwyth will be cancelled

Road transport will run in lieu of cancelled trains. The timetable can be viewed [here](#)

Blaenau Ffestiniog - Llandudno Junction - Llandudno

All trains will be replaced by a bus on this route. The replacement bus timetable can be found [here](#)

Cardiff Valleys

Capacity on all Cardiff Valleys routes will be reduced. Additional bus services will supplement the train service between Taffs Well / Caerphilly / Dinas Powys – Cardiff Queen St / Cardiff Central - details can be found [here](#)

Transport for Wales are sorry for the inconvenience this will cause and assure customers we are working hard to resolve this unprecedented challenge
